

# The Good Shape List

While the post-secondary planning process is unique for each student, there are a handful of things that almost everyone will (or should) do. For most students, if you do the following items by as late as the time indicated, you will be in "Good Shape!"

By...

You'll be in "Good Shape" if you...

Review the **WHS Post-Secondary Planning Handbook** on the School Counseling Website for detailed information about these and other steps in the process, and adapt your own planning based on your unique circumstances.
